

MONEY BABE MANTRAS

11 money mantras to take you from struggle bus to an abundant babe

HELLO, GORGEOUS SOUL!

Over the last year, manifesting money has become one of my favorite things in the world. It's been a wild journey of reprogramming my mind surrounding money, but if there's anything I learned... it's that attracting wealth gets easier and easier. In fact, it becomes your natural state. You CAN become a legit money magnet. Mantras, or affirmations, have been one of my FAVORITE ways to get my subconscious mind to soak in money truths through constant repetition. On the next page, you will find 11 money mantras that were the EXACT ones I used to go from \$25k in debt, barely earning a consistent income above \$1500 per month, to being financially free and earning \$200k+ per month. The best part? It all happened really quick. If I can make a leap that HUGE in just 2 years, imagine what kinds of massive shifts you can make too? Print out the list, keep it in a place where you will see it every single day, and start chanting.

Choose a money mantra that vibes with you, but make sure to say it OUT LOUD, and repeat it at least 10 times per day. Make sure to back up each affirmation with as much emotion and feeling as you can when repeating it to yourself. Without that energy of emotion, you'll have a hard time accepting them as your truth. Believe to your very core that what you are saying out loud is true, and your reality will soon take over. You CAN speak your reality into existence, babe.

Start living like your prayers are already answered. I did it, and so can you.

P.S. for those of you manifesting The Manifestation Babe Academy or any of my programs, I have some special affirmations for you on the last page!

xoxo *Kathrin Jenkins*
